

# Privacy Policy for (evr)ai

*Last Updated: 11.18.2023*

## Introduction

Welcome to (evr)ai. This privacy policy ("Policy") describes how (evermed)research, the developer of (evr)ai (the "App"), respects your privacy and protects the personal data that you may share with us through the use of our App. This Policy applies to all users of the App.

## Data Collection and Use

The App is designed to ensure the privacy and security of our users:

- **No Data Collection:** The App does not collect, store, or transmit any personal data of its users. All data entered into the App, including any user preferences or settings, is stored locally on the user's device and is not accessible to (evermed)research or any third parties.
- **No User Tracking:** The App does not track user behavior, and no data regarding user interactions with the App is recorded or analyzed.
- **No Third-Party Sharing:** Since the App does not collect personal data, there is no sharing of such data with any third parties.

## Data Security

Data security is paramount to us. All user data related to the App is stored locally on the user's device. (evermed)research does not have access to this data, and as such, it is protected against

unauthorized access and data breaches that could affect (evermed)research servers.

## **Changes to This Privacy Policy**

(evermed)research reserves the right to update or modify this Policy at any time. We will notify you of any significant changes by updating the 'Last Updated' date at the top of this Policy. Your continued use of the App after any modifications will constitute your acceptance of the revised Policy.

## **Contact Us**

If you have any questions or concerns about our privacy practices or this Policy, please contact us at [medright@evermedresearch.org](mailto:medright@evermedresearch.org).
